

Elements of the Antarctic Treaty System

International Organisations and Programmes

Scientific Bodies of the International Science Council

# Acronyms

<b>ACAP</b>	Advisory Committee to the agreement on the Conservation of Albatrosses and Petrels	<b>IOC</b>	Intergovernmental Oceanographic Commission of UNESCO
<b>AFoPS</b>	Asian Forum for Polar Sciences	<b>IPA</b>	International Permafrost Association
<b>APECS</b>	The Association of Polar Early Career Scientists	<b>IPCC</b>	Intergovernmental Panel on Climate Change
<b>ASOC</b>	Antarctic and Southern Ocean Coalition	<b>IPHC</b>	International Polar Heritage Committee
<b>CCAMLR</b>	Commission for the Conservation of Antarctic Marine Living Resources	<b>IWC</b>	International Whaling Commission
<b>CLiC</b>	Climate and Cryosphere Project	<b>MBON</b>	Marine Biodiversity Observation Network
<b>CLIVAR</b>	Climate and Ocean - Variability, Predictability and Change	<b>PAGES</b>	Past Global Changes
<b>COMNAP</b>	Council of Managers of National Antarctic Programs	<b>SCOR</b>	Scientific Committee on Oceanic Research
<b>EPB</b>	European Polar Board	<b>SCOSTEP</b>	Scientific Committee on Solar Terrestrial Physics
<b>GBIF</b>	Global Biodiversity Information Facility	<b>SPRI</b>	Scott Polar Research Institute, University of Cambridge
<b>IAATO</b>	International Association of Antarctic Tour Operators	<b>UNFCCC</b>	United Nations Framework Convention on Climate Change
<b>IACS</b>	International Association of Cryospheric Sciences	<b>WCRP</b>	World Climate Research Programme
<b>IASC</b>	International Arctic Science Committee	<b>WMO</b>	World Meteorological Organisation
<b>ICCI</b>	International Cryosphere Climate Initiative		
<b>IGOS-P</b>	Integrated Global Observing Strategy Partnership
