

AGATA CALL FOR APPLICATIONS

Thanks to SCAR and SCOSTEP/PRESTO funding the new born Scientific Research Programme Planning Group AGATA, recently approved by SCAR (<https://www.scar.org/science/agata/home/>), is glad to open a call for applications for scholarships to cover actual expenses up to 800-1000 € depending on the status of the candidate (students vs researchers). The scholarship will support the attendance of (Master or PhD) students or Early Career Researchers (up to 5 years from the PhD) to the next IUGG General Assembly (Berlin, 11-20 July 2023, <https://www.iugg2023berlin.org/>).

To apply the candidates are invited to send a motivation letter on what is their interest to AGATA and the submitted abstract to IUGG by 1st April 2023 to Lucilla Alfonsi with Wojciech Miloch and Nicolas Bergeot in cc (lucilla.alfonsi@ingv.it, w.j.miloch@fys.uio.no, nicolas.bergeot@oma.be). They also have to send an estimation of their budget to come to Berlin (for registration, hotel, and plane).

Finally, the winning applicants will have to make a 5 minutes presentation during the kick-off meeting of AGATA (held on 12 July as a side meeting during the conference) to explain their research and their interest in AGATA.
