June News from SCAR

Welcome to the June Newsletter from the SCAR Secretariat.

In this newsletter we have an update from [SCAR's youngest supporter](#), news about [SCAR Fellowships](#), and more on community news, events, and opportunities.

We'd also like to remind you that there's still time to comment on the draft list of sessions for SCAR's Open Science Conference in Hobart in July/August 2020. The [draft session list](#) is available on the [OSC website](#) and comments can be submitted to info@scar.org until 28th June 2019.

We would love to hear more about what you want to see in this newsletter. Please send us your comments and ideas, and feel free to share any news, events, and photos with us at info@scar.org. And remember to like our [Facebook page](#) or follow us on [Twitter](#) to stay up to date with SCAR news.

Featured News

SCAR are delighted to launch the [2019 Fellowship scheme](#). SCAR will offer 5 to 6 fellowships of up to USD \$15,000 each for 2019, with additional support for the scheme having been provided by India, Korea and France. A new SCAR/WMO Fellowship is also available in 2019. The Fellowships enable early-career researchers to join a project team from another country, opening up new opportunities and often creating partnerships that last for many years and over many Antarctic field seasons. The deadline for fellowship applications is **17 July 2019**. [Read more.](#)

SCAR Renews Partnership with IASC and APECS

SCAR is pleased to announce that it has renewed its Memorandum of Understanding with the [Association of Polar Early Career Scientists](#)

Bagel Sale to Save the Antarctic!

SCAR was delighted to receive further support from our youngest supporter, Maddie. Maddie held a bagel sale at school and raised an

(APECS) and the [International Arctic Science Council \(IASC\)](#). Originally signed in 2008 and renewed in 2013, this renewal continues the formal partnership through 2024.

Community News

News from the SCAR community and wider research community

- SCAR **Biogeochemical Exchange Processes at the Sea-Ice Interfaces Expert Group (BEPSII)** Member Letizia Tedesco has published her paper "[Sea ice algal phenology in a warmer Arctic](#)".
- A series of Antarctic glaciers are being **named after satellites** in recognition of the important role of satellite data in expanding scientific understanding of the Antarctic continent. Dr Adrian Fox, Chief Officer of the SCAR Standing Committee on Antarctic Geographic Information, comments. [Read More on the BBC](#)
- Send us your news! If you'd like us to share your news in the newsletter please contact the Secretariat at info@scar.org

Events

Upcoming events from SCAR, the SCAR community and wider research community

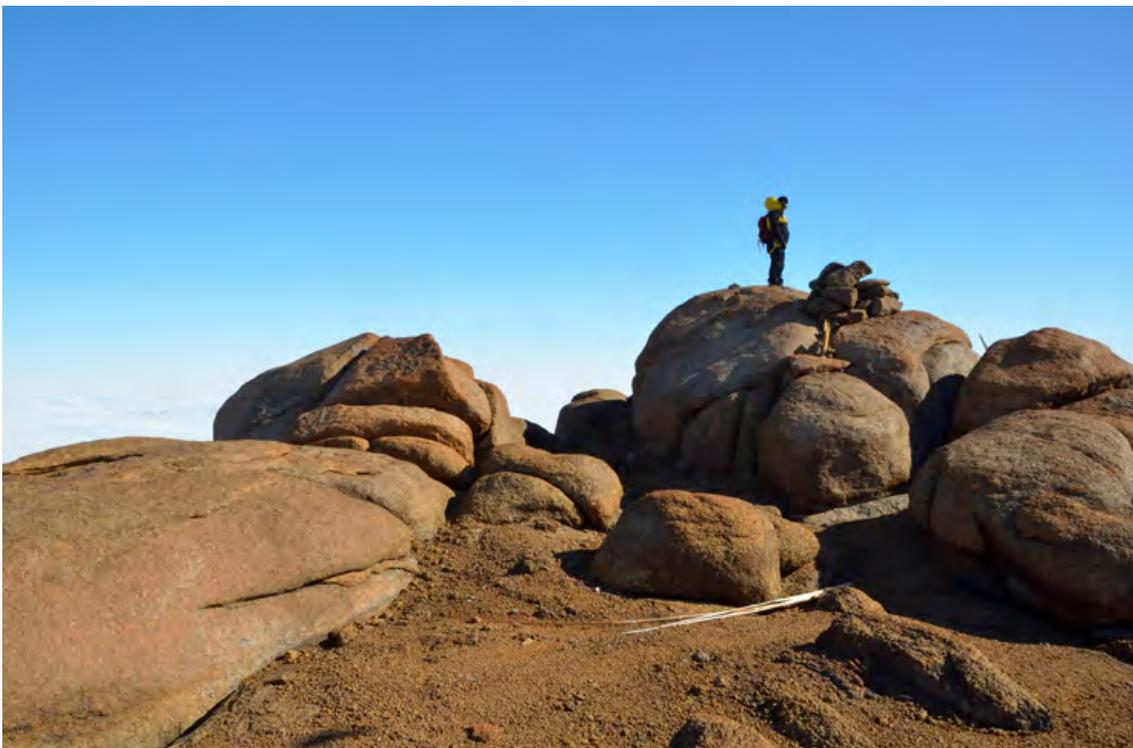

- **Short Course: Tools for Southern Ocean spatial analysis and modelling:** SCAR is pleased to partner with the rOpenSci project and the [Antarctic Biodiversity Portal](#) in organising a short course on tools for Southern Ocean spatial analysis and modelling using R. The course will be held from 2-6 September 2019 in Brussels, Belgium. Registration deadline **17 June 2019**. [Details](#)
- **Workshop on Glacial Isostatic Adjustments, Ice Sheets and Sea Level Change - Observations, Analysis and Modelling.** To be held in Ottawa, Canada, on 24-26 September 2019. The workshop is sponsored by SCAR's Solid Earth Respond and Influence on Cryosphere Evolution (SERCE) Scientific Research Programme. [Details](#)
- **XIII International Symposium on Antarctic Earth Sciences 2019 (ISAES):** ISAES XIII will be held at the Songdo Convensia in Incheon, Republic of Korea from 22 - 30 July. The symposium aims to bring together Antarctic earth scientists from different areas in order to gather and highlight their outstanding expertise and ideas. [Details](#)
- **5th Workshop of the SCAR AAA:** SCAR Scientific Research Programme, Astronomy & Astrophysics from Antarctica (AAA), is holding its 5th Workshop on 17-19 June 2019 at the Skyway Mont Blanc in Courmayeur, Italy. [Details](#).
- **Svalbard Science Conference:** APECS Norway, Russia and UK will be running a workshop about conducting research in Svalbard at the Svalbard Science Conference on the 4th November 2019. [Conference details](#).
- **Cryosphere 2020:** International Symposium on Ice, Snow, and Water in a Warming World. This symposium will bring together scientists, stakeholders and policy makers for a discussion on the latest results from studies of the entire cryosphere. 21st - 24th September 2020, Reykjavík, Iceland. [Details](#)

Opportunities

Opportunities from the SCAR community and wider research community

- SCAR is pleased to partner with the rOpenSci project and the Antarctic Biodiversity Portal in organising a **short course on Tools for Southern Ocean Spatial Analysis and Modelling**. The course will be held from 2-6 September 2019 in Brussels, Belgium. The deadline for applications is **Friday 15 June 2019**. [Details](#)
- Applications are invited for a **Postdoctoral position** at the Lamont-Doherty Earth Observatory of Columbia University, USA. [Details](#)
- **(Self-)nominations are invited** for 6 World Climate Research Programme (WCRP) expert panels. Nominations are welcomed from enthusiastic and dedicated experts for a four year term from January 2020 to December 2023. The deadline for nominations is **20 June 2019**. [Details](#)
- There are several new **postdoc positions** open at the University of Tasmania in Hobart. [Details](#).

Image of the Month

This month's featured image is by Tobias Stål, University of Tasmania. This photo was taken in East Antarctica during geophysical and geological fieldwork carried out by the Australian Antarctic Division (AAD). If you'd like to be featured send us your photos to info@scar.org.
