## Strategic Plan 2023–2028

"Urgent Messages from the South: Antarctic and Southern Ocean Science and Policy"

URGENT MESSAGES FROM THE SOUTH: ANTARCTIC AND SOUTHERN OCEAN SCIENCE AND POLICY

Strategic Plan 2023 - 2028

## 10th SCAR Open Science Conference

"Antarctica in a changing world", [www.scar2022.org](https://www.scar2022.org)

## XXXVII SCAR Delegates' Meeting

5–7 September 2022, held in Goa, India, and online

Welcome to our new Executive Committee members:

**Prof Burcu Özsoy** (Vice President for Capacity Building) & **Dr Marcelo Leppe** (Vice President for Administration)

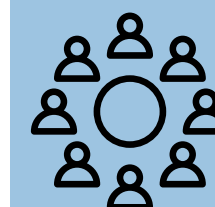

New Associate Member:  
**Luxembourg**

## Past Highlights

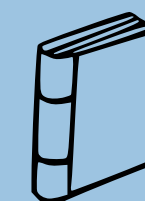

### Group fellowships:

- INSTANT Fellowships
- AntClimNow Dataset Development and Stewardship Scheme
- Inaugural Ant-ICON | SCATS Science-Policy Fellowships

### Workshops and conferences 2022:

- Antarctic RINGS Workshop, Tromsø, June
- Ant-ICON Workshop, Cambridge, Sep
- AntClimNow Workshop, Cambridge, Sep

### Publications:

- Antarctic Volcanism book
- SCAR Data Policy 2022
- Interactive data map on persistent organic pollutants concentrations

## Upcoming Events 2023

JUN SC-HASS Conference, Lisbon, Portugal

AUG SCAR Biology Symposium, Christchurch, NZ

SEP INSTANT Conference, Trieste, Italy

## ACCE Report

"Antarctic Climate Change and the Environment: A Decadal Synopsis and Recommendations for Action"

Published in May 2022, with accompanying animation
