ANNUAL **SKEG** WORKSHOP

REGISTRATION & AGENDA

8-12 APRIL 2024

ONLINE VIA ZOOM

18:00-20:00 UTC

Supporting further
development of the Krill
Stock Hypothesis (KSH)

WORKSHOP AGENDA

BEFORE WORKSHOP

We will provide reading material one week before the workshop so that participants can prepare for polling and discussions on the second workshop day. In addition, we are providing a link to a jam board where you can leave comments, thoughts, etc., after reading the Agenda and polling, which we can discuss during the workshop. Please click on the button to access the jamboard.

JAMBOARD SKEG WORKSHOP

- | | |
|--------------|--|
| DAY 1 | Intro talks that outline the questions which should be addressed during the workshop: <ul style="list-style-type: none">a) SKEG input to CCAMLR: Krill stock hypothesis, CCAMLR Ecosystem Monitoring Programme - <i>So Kawaguchi</i>b) Overview of current CCAMLR Ecosystem Monitoring Programme: Objectives and practice - <i>Christian Reiss</i>c) Krill stock hypothesis: purpose, current status and future development - <i>Zephyr Sylvester</i>d) Krill flux and its importance for fisheries management - <i>Simeon Hill</i>e) Intro to polling questions of day 2 - <i>Bettina Meyer</i> |
| DAY 2 | Polling to gauge expert opinion on research/data collection priorities for further development of the Krill Stock Hypothesis (KSH), monitoring the krill-based ecosystem and understanding krill flux |
| DAY 3 | Presentation of results from day 2 and open discussions based on the results |
| DAY 4 | Intro talk followed by short (5 minutes) krill-related talks, Launch of the new SKEG website
How decisions regarding data collection are made in CCAMLR (WGs, SC, Commission, Workshops) - <i>Steve Parker</i>

<i>Everyone is invited to contribute talks, but priority will be given to ECRs. Please send Dominik Bahlburg your talk, title and abstract (dominik.bahlburg1@awi.de).</i> |
| DAY 5 | A general summary of outcomes from days 1 to 3 (will be potentially merged with day 4 if time allows) |

REGISTRATION

The workshop will be held on Zoom. To participate in the workshop, please **register** yourself via the following link:

Deutsche Umwelthilfe

Notes on Personal Data Processing

Deutsche Umwelthilfe e.V. (DUH) is providing SKEG with technical support for the online workshop and DUH's Zoom Account will be used for the workshop. DUH processes personal data on our behalf in accordance with Art. 28 General Data Protection Regulation (GDPR).

The SCAR Krill Expert Group processes the following data for the preparation, realisation and follow-up of the event: Surname*, first name*, e-mail address*, affiliation, expertise (*mandatory fields in the registration form) in accordance with Art. 6 (1) f) GDPR.

To organise online events, DUH uses the Zoom video conferencing service in the Pro version 5.X with server locations exclusively in the EU or countries with an appropriate level of data protection. This version has end-to-end encryption. Under the following link, you will find further information on the use of Zoom - <https://www.duh.de/datenschutz/#c86149>. Data processing in the context of the use of Zoom is carried out in accordance with Art. 6 (1) f) GDPR.

Only the workshop presentations will be recorded.
